

HI 47 Oil-fired space heater with chimney, 46,5kW

Item Number: 0610116

HI 47

Mobile heating for every situation

>> These large and mobile oil-fired heaters equipped with a chimney allow for quick and efficient heating of large spaces and surfaces. The elaborate design makes for strong performance, extreme safety and simplicity in operation. The heat can be concentrated efficiently and selectively through the use of connectable flexible conducting hoses, whereas the chimney safely discharges the exhaust fumes. Heater selector <<

Additional Advantages

- High safety degree thanks to the overheat protection limiter and the flame monitor.
- High-quality components (e. g. stainless steel combustion chamber) make for a longer service life.
- Lifting lugs and wheels help to make transport easier.
- The double layer combustion chamber optimizes soundproofing and offers additional insulating properties.

Description	Metric	Imperial
Length x width x height	1,310 x 490 x 1,020 mm	52 x 19 x 40 in
Dry Weight	72 kg	159 lb
Shipping size	1,365 x 510 x 1,025 mm	54 x 20 x 40 in
Shipping weight (including packaging)	85 kg	187 lb
Thermal output	46.5 kWh	158,664 BTU
Air flow performance	1,800 m ³ /h	2,354 yd ³ /h
Temperature	64 °C	147 °F
Fuel oil consumption	3.92 kg/h	8.2 lb/h
Electrical power	480 W	480 W
AC Voltage	230 V	230 V
Tank capacity	65 l	69 US qt
Air outlet cone diameter	350 mm	14 in
with 2-way distributor unit	250 mm	10 in
Chimney connection diameter	150 mm	6 in

Standard Package - HI 47

includes operator's manual and parts book

Please refer to our Price List and Ordering Guide for complete accessory information.

Specifications may change due to continuous product development. Users are advised to consult Wacker Neuson's Operator's Manual and website for specific information regarding the engine power rating. Actual power output may vary due to conditions of specific use.
